

COMMUNE

This is a modern merging of contemporary and traditional styles. The open leg-base harmonizes with the breathing shapes of the table top; the split legs cross and connect with each other on the floor and are reflected in the in-laid propeller veneer pattern on the table surface. Commune's shapes, sizes and stationary or expansion configurations are malleable and customizable to address the endlessly varied dining situations.

DIMENSIONS

Breathing Round

42"D, 52"D and 60"D x 29"H (also available with one 18" leaf extension)

60"D (available with two 18" leaf extensions)
