

NIMBUS BED

The foot of the bed is available in three options:

SHORT FOOT RAIL

With the platform just proud of the mattress

BENCH EXTENSION

With the platform beyond the mattress by 13"

FOOTBOARD LIP

Turned up to cradle the mattress 19.5 high

NIMBUS BED

Rest easy on this modern cloud.

Well-spaced and tailored tufting gives this bed a clean aesthetic and a strong presence.

The gently angled headboard flows down to become the platform, all held aloft by continuous metal legs.

Available as a platform with three footboard extension options: Short Root Rail, Bench Extension or a low-rise Foot Lip. All with a foundation of our exclusive flexed Euro slats for comfort and airflow.
