### LEX CHAIR

A Gio Ponti-inspired Moderne club chair, this striking piece balances bold design with everyday comfort. Upholstered in your choice of fine leather or fabric, the chair features distinctively silhouetted arms that radiate a confident, almost haughty charm.

A standout detail: upholstered cuffs accented by self welt or square nailhead trim, where fabric meets wood—an unexpected, refined touch that nods to Ponti's flair for material contrasts.

With a tight seat and perfectly pitched back, the chair invites both quiet reading and animated conversation—effortlessly stylish, endlessly comfortable.

Handcrafted in California.

### DIMENSIONS

26.5"W x 36"D x 35.75"H
