

LOW MEDIA CABINET

Four sliding doors in a light weight woven tropical fiber (rattan) create the permeable facade of our Low Door to Door Media Unit. Minimal in construction, this cabinet provides an anchor and storage for your home entertainment.

Optional materials for door faces include back painted glass, fluted glass, slatted wood and natural cane. Cord management where you need it.

Handcrafted in California.

DIMENSIONS

Available in two different widths:

70.5"W x 22"D x 22"H - Three sliding doors

94"W x 22"D x 22"H - Four sliding doors

Sliding doors, one adjustable shelf per door, or drawer inside of cavity.

WOOD/FINISH

Available in our standard woods + finishes.
