

THREE-WAY NESTING TABLE SET

The work of artist David Nash was part of the motivation behind the 3-Way Nesting Tables. His use of solid forms and balance created a tension that inspired this design. We welcomed the opportunity to juxtapose different materials – in this case, wood, leather, painted lacquer and acrylic. These can be arranged together or apart to create flexible surfaces in any setting. Available individually or elongated as our Triad Nesting coffee table.

Handcrafted in California.
